Community

Bringing Help and Hope to Our Neighbors and Communities

The Kroger Co. Family of Stores has a long history of bringing help and hope to the communities we serve, including a strong commitment to education. Last year alone, we provided \$34.2 million to support schools and education programs. We also contribute more than \$220 million annually in funds, food and products to support local communities.

We're focused on feeding the hungry through more than 80 local Feeding America food bank partners, in addition to supporting women's health, our troops and their families, and local schools and grassroots organizations. We're also strong supporters of The Salvation Army, American Red Cross and organizations that promote the advancement of women and minorities.

Honoring Our Heroes

Kroger has hired over 35,000 veterans since 2009, and we're proudly supporting our military and their families with a \$1 million donation to the USO.
