Durango, CO 81301

Dear Ms. Stelz:

Let me express the appreciation of the Rocky Mountain Synod, which I serve as Secretary, for your interest and effort in amending the constitution and bylaws of your congregation

I have reviewed the changes that you have made to the **Christ the King Constitution and Bylaws**, and I am pleased to send this letter of synod approval, with an effective date of October 1, 2020.

Thank you for your work in bringing your documents into conformity with the governing documents of the ELCA. It is an important responsibility for legal reasons and for good order in your congregation's ministry. If I can be of further assistance, please contact me.

Please let me know after the next congregational meeting that the Constitution was approved, and I will make a note in the synod records.

Sincerely,

Susan H. Mitchell
Rocky Mountain Synod Secretary
